e-mail: admin@shenstone-staffs.gov.uk

#### ALL THE NEWS FROM YOUR PARISH COUNCIL

## Little Aston, Stonnall and Shenstone Neighbourhood Plans

The Parish Council continues to protect and uphold all three of its Neighbourhood Plans. We do this by maintaining a constant watch on both individual applications and area wide planning proposals.

We have successfully objected to individual planning applications that do not compliment the character of our three villages. We have a significant housing application on the edge of Shenstone just over the railway bridge where we need to ensure the design meets the requirements of the Neighbourhood Plan. The outline application has been made for this development and the full application has yet to be made.

We are also active as a Parish Council in contributing to the Lichfield District Council Green Belt Review and have argued successfully to the Examiner that the three Neighbourhood Plans should be in the Examiners words the "appropriate forum" for considering any further housing infill proposals.

We will continue to very closely monitor the Lichfield Green Belt review over the near future as our Parish Council area overall is considered as capable of further housing growth and development.

#### **Save The Date**

It may still be Summer time but we are already thinking about all things festive. Shenstone will be hosting a Christmas market on FRIDAY DECEMBER 13th (we are not a bit superstitious!) from 4.00pm in Main Street, outside the shops. Stalls include jewellery, wreaths and decorations, mulled wine, crepes and a tombola. There will be children's activities in the Richard Cooper Room, a choir and lots more. "Russell's" will be open late as will "Emily Charlotte".

Do come along and join in the fun.

## INTRODUCING YOUR NEW COUNCILLORS

#### Kelly Harrison, Councillor for Little Aston & Stonnall

Originally from Great Barr, I have lived in Little Aston for just over five years now with my family. I joined the Parish Council in 2019. I wanted to become a councillor because there is a great sense of community in our area. I feel it is important that we protect that community and help it to grow and develop. There is so much to learn in this new role and I am enjoying getting involved.

I have lived in the area for over 15 years. I feel proud and lucky to be part of this community. I often getting involved and organising neighbourly events within our street area to encourage a sense of community and supporting those around us. It's great to be part of this exciting time where we are a few years into our neighbourhood plan and look forward to being a driver of these positive changes planned to make our community an even greater place to live.

#### **Darryl Godden, Councillor for Shenstone**

I moved to Shenstone 4 years ago and I am very keen on the local community and what makes it tick. I'm especially interested in safety, the speed on Birmingham Road and crime reduction. I'm also very interested in making Shenstone an even better place to live through green initiatives, alternative transport and cycle connections. Local facilities are extremely important to me, especially maintaining Shenstone as a lovely, safe place whilst ensuring the children have places to play.

#### Lesley Edgley, Councillor for Shenstone

Shenstone has been my home for 25 years, following a life time in Sutton Coldfield and I love it!!

Until about six years ago I worked for HSBC in Birmingham and in 2012 I had the opportunity to retire. My very elderly parents were still here at that time and I was grateful that it allowed me to visit and support them more.

The point at which I thought I should contribute to Shenstone started with the planning and commissioning of the Village Plan. It was of great interest to me and I realised the amount of work that had gone into it preparation.

I began to take more interest in my home village and realised that things don't just happen but need the involvement of the local people. I never had the time to take in just how lucky we are in Shenstone with the number of halls, the number of associations and clubs we are able to join and use- all run by volunteers. Our local library is one of the big success stories. When I thought about becoming a local Councillor, I began to understand the other parishes and what they had to offer too. I think we are very lucky to live where we do.

I am a bit of a slow burner when I have to think things out, it may take me a while!! But I know that my strengths are tenacity, a good dose of common sense and people skills. Hopefully I will be able to put these to good use for the benefit of the whole of the Shenstone Parish Council area.

ANNUAL PARISH MEETING THURSDAY 14th MAY 2020 8.00pm STONNALL VILLAGE HALL

#### Cartersfield Lane, Stonnall Speeding Issues

Staffordshire County Council carried out a Traffic Survey of Lichfield Rural South in December 2018 when traffic data from various roads in Stonnall was collated.

The report highlighted that Cartersfield Lane could benefit from traffic calming measures.

This also backs up feedback from local residents and data collected by The Community Speedwatch programme that has recorded vehicles travelling at excessive speeds in that area.

The key recommendation from Staffordshire County Council was for a 40mph speed limit 'buffer zone' to be considered before the 30mph starts on Cartersfield Lane as approached from A461 direction.

The estimated cost of these works is £7,000 but as ever funding for such works is often the key issue to solve.

SCAR (Stonnall Campaign About Roads) had been aware of grants that may be available for such works from the Staffordshire Safer Roads Partnership and a project team put together a comprehensive application for funding.

We are delighted to announce that on behalf of the Village, SCAR has been successful with their application and has received the maximum grant available of £5000.

Councillor David Smith has supported SCAR throughout this application and has agreed to also allocate some County Highways money totalling £2000 so that the total cost of the Buffer Zone in Cartersfield Lane is covered and the works can be completed in the coming months.

All works are being co-ordinated by Staffordshire County Council Highways team so that full and proper programme of activity will be carried out and in the coming months we all hopefully will see that Cartersfield Lane will be a safer road in our village.

## Stonnall Youth & Community Centre

Over the past few weeks, Shenstone Parish Council (SPC) has carried out extensive and lengthy investigations with regard to its position and responsibility in respect of its association with the Stonnall Youth and Community Centre (SYCC) and its Management Committee (MC).

The accumulated, and in many cases newly discovered, documentation and paperwork, which may be viewed by appointment, is in some instances contradictory and in others unclear or confusing.

In summary, it appears that the SYCC MC was formed in or around 1997 by a number of residents and user groups who were concerned that the facility might be closed by is owner, Staffordshire County Council (SCC).

It should be stated that this pre-dates by some 5+ years any involvement of the SPC whatsoever and the MC's formation was approved and accepted by SCC and a formal Licence was agreed and drawn up between the two parties in 2001.

In 2003 SPC entered into a Lease agreement with SCC for the area of land which the building stands on. There is no mention within this Lease of the building's management and it had therefore been assumed that the MC were an autonomous group, approved and licensed by the owners to deal with day-to-day running.

There is mention within paperwork of the

building being offered for sale at £1 but no evidence has come to light as to which, if either party, (SPC or SYCC) completed the conveyance.

Confusion is further exacerbated by the fact that for much of the time of these events, the late Mr J. Mason was Chairman of both SPC and SYCC and it is unclear in some of the papers as to which role he was acting in.

As SPC are in negotiations with SCC in respect of purchasing the entire site, and in an effort to act openly and address fairly the concerns of residents in respect of the management of SYCC, SPC will assume, without prejudice, the role of responsible body and declare that, from this point forward, the SYCC MC are acting on behalf of, and are accountable to, SPC.

In respect of the way forward for the issue of pre-school provision, SPC, in its capacity of Lease holder, will instigate full and independent surveys into two aspects of the building; 1, its structural integrity. 2, its suitability / viability as a pre-school facility. The results of these surveys will be made public in due course.

Should the SPC purchase the whole site, a full public consultation will be held to evaluate its future.

#### Stonnall Allotments

The allotments in Stonnall continue to attract new members, 17 in the past 12 months, which

is a 35% turnover. Normally 2-3 plots turn over in a year but as a result of a combination of factors- age, ill health, moving away- the turnover is unusually high.

However, with extensive advertising in the Mercury and local parish magazine, colourful posters throughout the parish, and by sharing our details with Lichfield Allotments waiting list, we have been able to fill all plots except one.

Our focus will be making sure everyone is aware of the allotments and developing a waiting list. Once this happens first priority for plots will go to those that reside within the Parish boundaries.

## Community Grant Funding

The Parish Council will very soon be accepting applications from community groups and organisations seeking funding support. Last year the Council gave over £12,000 in grants for use across the whole Parish for wide & varied uses. These included the purchase of a new hoist for Footherley Hall, tents for the Aardvark Volunteers in Shenstone, replacement hand dryers for Stonnall Village Hall, replacement & enhancement of the crown in the centre of the green at Little Aston Bowls Club and many others.

If you would like to apply for a grant please contact the Parish Clerk on admin@shenstone-staffs.gov.uk or 01543 481 947. Grant applications will be sent out in late October.

#### **Shenstone Village Festival**

This year's festival was a huge success on many levels. The weather was perfect (perhaps too perfect on Saturday - phew!). The Open Gardens were lovely, as were the church flower displays.

We had over 1000 happy visitors, who were spoilt for choice on events

to take part in and displays to see. Plus of course an excellent choice of food and drinks to enjoy.

Our many event organisers used the weekend to raise money for their own organisation -The Guides; The Brownies; Rainbows; Shenstone Cares; The W.I. and The FROGS all had a successful day's fundraising. Then there was the Cooper Room and the Library who also benefitted from festival visitors.

Other groups gave money to their favoured charity. These included Cancer Support, Cafod, Mind, Air Ambulance, St Giles Hospice, Lichfield Pathway Project and Dementia Care.

Net income from the sale of programmes was just over £4000 which was an all time record for the festival. This money will be made available to Shenstone-based community organisations by way of small, one-off grants. Please mail Keith Jones on solvac@btinternet for an application form.

#### **Our Unsung Heroes**

There are many who give up their time and effort in so many different ways to help in the Community. Without the effort of these hugely important volunteers our villages would be a little less pleasant to live in.

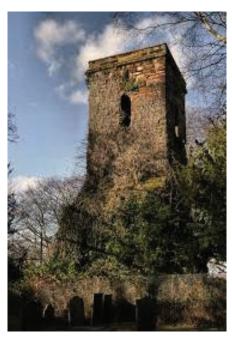

One of these volunteers is Mr John Lakin (pictured) of Glenwood Rise, Stonnall. For over 13 years, Mr Lakin has looked after the piece of

-

land on the corner of Main Street and Glenwood Rise. He cut the grass, trimmed the edges and removed twigs and debris from under the trees. Sadly, he has had to give up very recently following a health scare but the Council, and the residents of Stonnall, are really grateful for his sterling work. Thank you to Mr Lakin and all other volunteers in the Parish.

#### **-⊗**

#### Friends of Shenstone Tower

You may well have heard that Heritage England are considering whether or not they should allocate funding to renovate the Grade2\* listed old church tower. It is a building of considerable historic interest and is currently classified as being 'at risk'.

A small group of interested parties, including representatives from Heritage England, the Parish Council, St John's Church and the local community, have so far attended three meetings to discuss the project. A survey of the tower has been completed and plans drawn up for the restoration.

Several ideas about how the tower might be used in the future have also been proposed and include its use as a viewing platform (views are spectacular), as a venue for wedding photographs, as a permanent exhibition space for the local history of Shenstone and even as a telecommunications tower.

To be sure of getting support from Heritage England it is vital that the community gets behind the restoration and contributes ideas/suggestions about how the restored tower can be used in the future. To this end a group has been formed "Friends of Shenstone Tower" to take this project forward & raise the remaining funds. There is a lot to do but pledges have already been received amounting to around £7,000 plus the support from the Parish Council.

If you would like to join the group or share ideas please contact the Parish Clerk on admin@shenstone-staffs.gov.uk or 01543 481 947.

You don't have to live in the village- we welcome everyone! Please look out for details of the many events which we are planning and do come along to support us.

## LittleAstonbury – Party in the Park 2019

July 13th saw the 8th Party in the Park at Little Aston Recreation Ground, the event has become one of the most popular local family events of the year with a fun-filled evening of music from local bands Monkey Business and Rattlesnake Jake plus two headline bands Ultimate Elton and George Michael Beyond Faith tribute acts.

A dedicated committee of volunteers spend 10 months planning the event

The event could not be possible without all the volunteers, helpers and local businesses who come out in force to support the sell-out event. This year the evening

was once again blessed with blue skies and sunshine until sunset when the proms finale sung by Lydia Borg and fireworks display completed the evening.

Plans are currently underway for Party in the Park 2020. The event goes from strength to strength and improves year on year.

Thank you again to all involved. Party in the Park is organised by the community for the community.

## Greysbrooke School Support the Old Tower

It seems a long way off since we held the "Old Tower Day "in Shenstone to draw attention to a restoration project that has been initiated with Heritage England to save the medieval tower in St John's Churchyard. However, as this is our first Newsletter since the event in March we can't let the opportunity pass by without mentioning the tremendous efforts of the pupils of Greysbrooke School who took part in a model making competition. With 140 entries, the standard was so high that two winners were chosen from each

class and a further winner declared by people's choice on the day. Here are just a few of the fantastic entries.

#### And say goodbye to some old ones

In April, three long standing Councillors stood down from the Parish Council.

The former Cllrs Jean Wilson, Rita Hancocks & Charles Fordham made a huge and valuable contribution to the Parish Council and to the community.

Mrs Wilson was rewarded by Her Majesty the Queen with an MBE in the New Year Honours list 2011.

All three are still active members of community groups including Little Aston Recreation Ground, Shenstone Village Hall & "Friday Friends".

#### **Police Clinics**

From PCSO Andrea Horsnall: Steve and I are changing some of the ways we run the police clinics. We want to ensure that members of the community have easy access to the police, hence we are experimenting with taking clinics out to where the people are and not waiting for people to come and see us. If you have any suggestions as to how we can better serve the community please get in touch with us. We are in the process of arranging an evening either late September or early October focusing on fraud and scams and getting specialist speakers in. This will be advertised when all details have been finalised.

#### **Confirmed dates for STONNALL:**

Sunday 18th Aug 11.00-12.00 Premier Shop.
Wednesday Aug 21st 10.15-11.15 Youth & Community Centre
Monday 30th Sept 17.00-19.00 Premiere Shop
Wednesday 2nd Oct 10.15-11.15 Youth & Community Centre
Monday 21st Oct 17.00-19.00 Premiere Shop
Wednesday 2nd Oct 10.15-11.15 Youth & Community Centre

#### **Confirmed dates for LITTLE ASTON:**

Tuesday Aug 17th 11.00-12.00 CO-OP Friday 11th Oct 19.00-20.00 St Peter's Church Monday 2th Oct 12.00-13.00 CO-OP

#### **Confirmed dates for SHENSTONE:**

Saturday 10th Aug 11.00-12.00 Shenstone Library Wednesday 21st Aug 14.00-15.00 Creative Plants Saturday 31st Aug 11.00-12.00 Shenstone Library 14.00-15.00 Dobbies Garden Centre Saturday 21st Sept 11.00-12.00 Shenstone Library Saturday 12th Oct 11.00-12.00 Shenstone Library

During the summer term, all of the year 6 pupils at St. Peter's and Little Aston Primary School, a total of 63 pupils, have completed the Staffordshire Police Junior Cadets programme. As the Greysbrooke Primary School and Shenstone Lodge pupils embarked on the course in the autumn term, it means that all of the year 6 pupils in all our primary schools have had this wonderful opportunity to engage in a meaningful way with the Police and grow in their knowledge and understanding of their role in the community and their understanding of good citizenship. Throughout the course, there is a constant emphasis on the importance of respecting themselves, their neighbours, their community and the environment. It has been a real joy working with our young people; they are so full of life, energy and have immense potential.

## Changes to Burial Regulations Shenstone Lower Lawn Cemetery

For some time now the Parish Council has been looking at possible sites for the development of a new cemetery. Based on projected use, without changes to how we plan and use the existing land, we will reach capacity in five years. Investigations into a new site have so far proved unsuccessful.

Therefore, after lengthy discussions with Mark Ridgeway who is the grave digger for Shenstone & Stonnall, and a meeting of the Parish Council, it was agreed that a new approach is required. Initially this will be reducing the spacing between cremation plots. There are no legal guidelines as to how close plots should be but our plot spacing is over generous. By closing the gap between plots we would increase capacity to fifteen years. This was approved by Council and will come into effect once the existing row is complete. Appropriate space will be retained between plots to enable strimming and to, of course, maintain a respectful distance.

Currently the Lower Lawn Cemetery is in two halves, burials on one side and cremated remains on the other. On the burials side, there are large areas of ground which could easily be used for cremated remains. It was agreed that, once the cremated remains section is full, the land on the burial side will start to be utilised generating another ten years.

Regulations already state that only residents of Shenstone or anyone with a close personal connection to the village may be interred there and plots may not be pre purchased.

#### **NEW BIKE FOR OUR PCSO**

From PCSO's Andrea Horsnall & Steve Smith:

Awesome! We have had the electric bike donated to the local PCSOs by Heather Dyson Jones of Creative Plants Ltd, Birmingham Road, Shenstone and supported by Dave Green at Cycling 2000, Wheel Lane, Lichfield for a week now and have already clocked up 137 miles on bike patrol in the community. It is brilliant as it gives us close contact with members of the community, yet allows us to get from place to place so much quicker and arrive not so much out of breath! It is already making a huge difference to our work and effectiveness and our health in this hot weather. We are so grateful for this generous gift given to benefit the community. Thank you so much.

#### **OUR COMMUNICATION STRATEGY**

We are looking at how we can improve the way we communicate with residents and find out what information you want to know.

We would like your feedback on our communication methods:

Newsletter E-bulletin Website Notice Boards Multi Media Local Groups

#### **NEWSLETTER**

The newsletter is printed twice yearly. We propose moving to 3 times a year for next two years.

The newsletter will:

- -promote our other forms of communication.
- -inform you about grants and what the parish council is all about.
- -inform you about other local parish news and the wider community.

#### **E-BULLETIN**

These are sent out each month. They are a fantastic way to share information such as current news, planning, and the work of community groups, funding, events and much more. Less than 5% of residents receive this e-bulletin. We would like to increase this usage to over 50% in the next 2 years. -to get the monthly e-bulletin, please send your email address to the Shirley the Parish Clerk at admin@Shenstone-staffs.gov.uk. To adhere to GDPR regulations, please state you give permission for your email address to be used for this purpose.

#### **WEBSITE**

We do have a website!!
It is www.shenstone-staffs.gov.uk

It breaks down into the 3 parish wards that we have. It shares the minutes of meetings held, future meeting dates, details of our local neighbourhood plan, who our councillors are and more...

We welcome your feedback about the site as we are always looking at ways to make it more welcoming, informative and user friendly. Please send feedback to admin@Shenstone-staffs.gov.uk.

#### **NOTICE BOARDS**

We have NEW large notice boards awaiting planning permission. They will replace the very old ones at the following locations:-

- Shenstone Parish Office
- Stonnall Village Hall
- Little Aston at Little Aston village hall, B74 3UF

These should be in place by mid-September

They will have a section for meeting dates, agendas, parish news and updates from Lichfield District & Staffs County Councils.

#### **SOCIAL MEDIA**

We are currently exploring what social media channels residents may want to use for gaining parish council information.

#### **LOCAL GROUPS**

We want to build our network of local groups, big or small, so we can send information direct to those groups to share.

If you know of any groups, please ask them to send their details to Shirley, the Parish Clerk at admin@Shenstone-staffs.gov.uk. Thank you.

#### WE WOULD LIKE TO KNOW YOUR IDEAS AND VIEWS

We are holding some "DROP IN MEETINGS" on this communication strategy as this is only just the start... These will be held at SHENSTONE COMMUNITY LIBRARY on SEPT 3rd 10.00am-11.30am and LITTLE ASTON VILLAGE HALL on SEPT 4th 9.15am-10.00am.

Other dates and venues soon.

**ALL WELCOME** 

## Community Groups/Organisations
