	<i>Air Quality</i>	YES	NO	MAYBE
1	Do you think that Air Quality in your area could be improved? If so how?			
2	Do you think that local businesses & farms could help to improve village air quality? If so how?			
3	Could educational campaigns help to stop the burning of toxic treated wood & other waste in local garden bonfires, log burners & domestic fireplaces?			
4	Do you think Shenstone would benefit from becoming a smoke control area – helping residents use safer fuels in their fires to heat their homes with more energy efficiency, whilst improving air quality & reducing carbon emissions?			
	<i>Environment</i>			
5	Would you like to see more planting around Greysbrooke School to help protect students from noise pollution & vehicle emissions?			
6	Do you think that planting more trees & hedges along the Birmingham Rd would help to reduce pollution in the village whilst providing a habitat for wildlife?			
7	Would you like to see increased planting on other local verges & green spaces? If so where?			
8	Do you think that areas around local shops should be tidied up & kept litter free with increased provision of bins? If so where?			
9	Do you think that more could be done to reduce light pollution in the village? If so what & where?			
10	Do you think that more could be done to reduce noise pollution in the village? If so what & where?			
11	In light of predicted climate change, do you think that local public & commercial buildings with asbestos sheeting should be protected with encapsulation paint etc to prevent further weathering & decay?			
	<i>Roads, Cycle Lanes, Pathways & Green Routes</i>			
12	Would you like to see improvements made to the outskirts and at the ‘gateways’ to the village through increased planting, better signage, safer crossing points, more traffic calming measures & speed restrictions?			
13	Do you think that some local road surfaces are in need of improvements? If so which?			
14	Do you think that some village footpaths are in need of improvements? If so which?			
15	Would you be more likely to use public footpaths to surrounding green spaces if pavements & crossings were improved to provide safer access to these footpaths?			
16	Would you be more likely to use public footpaths to access surrounding green spaces if they were better signposted & maintained?			
17	Would you like to see more ‘off-road’ footpaths linking the village to local green spaces, amenities and other areas? If so which?			
18	Would you be more likely to cycle to nearby areas if local roads had more speed restrictions?			
19	If cycle lanes & ‘shared-use’ paths were created to link Shenstone with nearby areas would you use them to travel to work / local amenities & for family trips?			
	<i>Heritage</i>			
20	Do you think that local landmarks like the Train Station, those along the Birmingham Rd & in other areas of the village would benefit from further protection? If so which?			
	<i>Other</i>			
21	Are there any other ways in which the village & its environment could be improved?
